The school has been abuzz with many different activities and programs over the last few weeks.

Students participated in a planned walk around the school oval for the Cancer Council’s Relay for Life. Music was played and some students had their face painted. Dougal - the mascot bear - came for a visit also and walked around the oval with the students. Thank you to Mrs Keegan for her organisation and all staff and students.

This week I would like to acknowledge the volunteers that are at our school - we are very fortunate that they give up their time to help out in classrooms and other areas. The staff and students appreciate all that you have done and continue to do for the students at school.

A big THANK YOU to Fairlie (class 8), Michael (class 7), Julie (class 12), Divya (library), Mr Turnbull (from the Men’s Shed who helped restore bikes) and our Spa ladies (who will hopefully be back soon after our spa has some repairs).

Over the next few weeks I will be calling families of students who will be joining us next year. We welcome our new and potential families to our school and will be working with them on transition programs to help support the journey to school and to high school.

‘independence through learning’
Relay For Life

Relay for Life is a chance for communities to recognise and celebrate those who have overcome cancer or are undergoing treatment, as well as the people who care for them. Relay also provides an opportunity to celebrate the memory of loved ones lost to cancer.

Anson Street School supported this year’s Relay for Life on Tuesday by walking around the school oval. All students took part and had a fun day dressing up and getting their faces painted. The school community raised an amazing $789.00 for this wonderful cause.
