## Anson Street School

*"A school of excellence in individual planning"*

23rd July 2004

20/04

# **WELCOME BACK TO TERM 3**

# **SPECIAL WELCOME TO ALL THE**

# **NEW FAMILIES**

---

### **Principals Report**

Term 3 has begun with a number of new students enrolling at the school. We welcome these students to Anson Street School and we look forward to working with you.

Students have settled back into school and class routines very well and have made the new students feel very welcome. On the last day of Term 2, one of our full time release teachers, Mrs Belinda Coles, was offered a permanent position in Sydney. Belinda accepted the position and commenced duty this term. We wish Belinda and her family all the very best.

We welcome Mrs Catherine Connick to our school. Mrs Connick will be teaching Class 10 each Monday and Tuesday and for the remainder of the week will work with children in other classes. Mrs Beasley will continue teaching Class 10 Wednesday to Friday while she undertakes further university studies.

Next Monday Anson Street will be holding a School Development Day (pupil free day). Dr Christine Richmond from Queensland University will be presenting a number of workshops regarding quality teaching and class management strategies. Thank you for making other arrangements with your children for that day. If you have any enquiries please contact the school.

The whole school assembly will now be held each Thursday afternoon (2.30pm). The assembly is an opportunity for staff to present students with class

and school awards for academic, sporting and cultural achievements. On occasions special visitors will also speak to the students.

Today Captain Starlight from the Starlight Foundation visited the school and performed for the children in the gym. Special class visits also took place after the main show. By all accounts the children enjoyed the show and interacting with these performers.

Mrs Horsley (Class 1) is available for families wishing to purchase uniforms. The best time to see Mrs Horsley would be before 9.00am or after 3.00pm.

Notes will be sent home today for the Life Education Van which will visit the school commencing next Thursday. The Life Education Van programs focus on teaching students skills to make appropriate decisions, building self confidence and self esteem and also provide factual information about harmful drugs and substances.

Thank you to Suzy Isaacs and Cross Country Trucks for garaging the school vehicles over the vacation period.

Mr Thomas (General Assistant) has been busy repairing pushbikes recently donated to the school by a number of families. The bikes (big and small) enable all the children to access riding during the breaks.

Garry Brotherton
